C. Project Leader	:	Janeth D. Linga
D. Implementers	:	Renalyn B. Galicia BEST Officers Science Society Officers SEEDS Officers
E. Duration	:	February, 2025
F. Location	:	Siange Lisap Elementary School, Bongabong, Oriental Mindoro
H. Contact Person	:	Janeth D. Linga (Project Leader) Mary Jeane S. Lubos (Coordinator, Extension Services)

II. RATIONALE

"Sharing is caring."

In many communities, especially minority groups, access to basic resources like food, clothing, and hygiene products can be a challenge. "Share & Care: A Day of Giving Clothes, Comfort, and Cleanliness" is a one-day outreach initiative designed to support the minority people of the Lisap community. Scheduled for February 14, this event coincides with the celebration of Valentine's Day, a day traditionally associated with love, kindness, and care. In the spirit of love and solidarity, this initiative will provide free clothing, a feeding program, and bath soaps to pupils of Siange Elementary School. By offering these essentials, we hope to provide comfort, meet immediate needs, and reinforce the values of compassion and community.

This event aligns with Sustainable Development Goal (SDG) 1: No Poverty, as it addresses the material needs of families struggling with limited resources. By providing free clothing, food, and hygiene products, the initiative directly supports efforts to reduce poverty and help those in need. The feeding program, sponsored by the municipal mayor, also contributes to SDG 2: Zero Hunger, ensuring that children who may face food insecurity have access to nutritious meals. Additionally, distributing bath soaps supports SDG 3: Good Health and Well-being, as hygiene is crucial for disease prevention, personal health, and the well-being of the community.

This day will not only provide free clothing, a feeding program, and bath soaps but will also include fun games with exciting prizes for attendees. By incorporating games, we aim to bring joy, laughter, and a sense of celebration to the event, while still meeting the immediate needs of those who are most vulnerable in Siange Elementary School. The games promote social interaction and community building, reinforcing SDG 10: Reduced Inequality, as they ensure that everyone, regardless of their background, has an opportunity to participate and experience joy.

Additionally, the event will feature a simple orientation to raise awareness about the importance of a clean body for health, hygiene, and self-esteem. This educational session supports SDG 4: Quality Education, as it provides important knowledge about hygiene, empowering the community to take steps toward better personal care. The initiative will not only address material needs but also educate the community on how proper hygiene and a clean body can positively impact their daily lives, enhancing both health and self-esteem.

The municipal mayor will sponsor the feeding program and bath soaps, while education students will provide the clothing donations, fostering a sense of SDG 17: Partnerships for the Goals. This collaboration between local authorities, community members, and students demonstrates how partnerships can be harnessed to address local challenges and contribute to a more sustainable and inclusive society.

Through this event, we aim to demonstrate that love extends beyond gifts and material items—it also involves acts of care, education, and empowerment for the well-being of others. This initiative reflects our

CamScanner

collective commitment to the Sustainable Development Goals, promoting dignity, equality, and a stronger sense of community for all.

III. OBJECTIVES

In general, the program aims to conduct gift-giving and raise awareness of body hygiene among the Mangyan pupils of Siange Elementary School.

Specifically, it aims to:

1. Provide essential resources to Mangyan Elementary pupils with pre-loved clothes, a feeding program, and bath soaps.
2. Give simple orientation/awareness about the importance of body hygiene which is essential for health and dignity.
3. Foster bonds through simple activities and games.
4. Strengthen community ties within the Lisap area by fostering a spirit of generosity, care, and shared responsibility among all participants.

IV. PROJECT COMPONENTS

The College of Teacher Education will conduct an outreach program at Siange Elementary School on February, 2025.

Activities	
Attendance	Hubert Manalili/Therese Venus
Prayer	Novea A. Bonita
Philippine National Anthem	
Energizer	BEST & SEEDS Officers
Message	Janeth D. Linga
Parlor Games	BEST & SEEDS Officers
Feeding Program	
Distribution of body soaps	
Presentation/discussion of the importance of proper hygiene	Romel Sena
Distribution of pre-loved clothes	
Closing Remarks	Renalyn B. Galicia

VII. EXPECTED OUTPUTS

The outreach program will result in:

1. Pupils will learn the importance of personal hygiene, including proper handwashing, body hygiene and sanitation practices, leading to healthier habits.
2. The feeding program will help alleviate hunger and malnutrition, improving the physical well-being and cognitive development of individuals, particularly children.
3. Making pupils smile, laugh, and bond through simple activities and games.
4. Recipients will receive essential clothing items, which may help address basic needs, especially for those facing financial hardships or those who may not be able to afford new clothes.

NARRATIVE REPORT

Share & Care: A Day of Giving Clothes, Comfort, and Cleanliness

The outreach activity, entitled "Share & Care: A Day of Giving Clothes, Comfort, and Cleanliness," was held on February 28, 2025, at Siange Lisap Elementary School. The event aimed to spread kindness to those in need by offering clothes, hygiene education, and a sense of community support. This initiative was organized to not only provide physical necessities but also to foster an environment of empathy and care, ensuring the well-being of those who are less fortunate.

The program began with an opening prayer led by Ms. Ganancial, who invoked blessings of goodwill, unity, and protection for everyone involved in the event. Her heartfelt prayer set the tone for the day's activities, asking for guidance in delivering kindness and compassion to those in attendance. The group collectively expressed gratitude for the opportunity to share their resources and support each other in the spirit of giving.

Following the prayer, Mr. Francis Harvey Linga, Head Teacher III, delivered an inspiring message to all participants. In his speech, Mr. Linga emphasized the importance of community involvement and how small acts of kindness can create a significant impact on the lives of others. He encouraged everyone to continue helping those in need and reminded them that acts of service, no matter how simple, contribute to building a stronger, more compassionate society.

The next part of the program was the orientation on proper hygiene, which was conducted by Ms. Janeth D. Linga, the Science Society Adviser and the Program Chairperson for the BSED Program.

•Main Campus, Alcate, Victoria •Bongabong Campus, Labasan, Bongabong •Calapan City Campus, Masipit, Calapan City

CamScanner

Ms. Linga shared valuable information on maintaining personal hygiene, including proper handwashing techniques, the importance of regular bathing, and ways to prevent the spread of common illnesses. The attendees were highly engaged in this segment, as it not only helped improve their health awareness but also empowered them with the knowledge to take care of themselves and their families.

Following the orientation, participants were invited to participate in some fun-filled parlor games, which were organized to bring joy and laughter to everyone present. These games allowed the participants to bond with each other and take a break from their daily struggles. After the games, the attendees were treated to a hearty meal during the feeding program, providing them with nourishment and a sense of community.

•Main Campus, Alcate, Victoria •Bongabong Campus, Labasan, Bongabong •Calapan City Campus, Masipit, Calapan City

CamScanner

One of the most anticipated parts of the event was the distribution of bath soaps and pre-loved clothes. The donations of these essential items were thoughtfully given to the participants, ensuring they left the event with practical goods that would contribute to their personal hygiene and daily needs. The generosity of the donors was truly heartwarming, as it reflected a collective desire to make a positive difference in the lives of those who are less privileged. The participants expressed deep gratitude, knowing that these donations would help improve their quality of life and provide a sense of dignity and care.

•Main Campus, Alcate, Victoria •Bongabong Campus, Labasan, Bongabong •Calapan City Campus, Masipit, Calapan City

CamScanner

The event concluded with the giving of certificates as a token of appreciation for everyone who contributed to the success of the outreach activity. These certificates were presented to participants, acknowledging their efforts and involvement in making "Share & Care: A Day of Giving Clothes, Comfort, and Cleanliness" a memorable and meaningful experience. The activity not only provided material support but also created lasting bonds among those who took part, reminding everyone that caring for one another is the essence of building a better community.

NARRATIVE REPORT

Share & Care: A Day of Giving Clothes, Comfort, and Cleanliness

The outreach activity, entitled "Share & Care: A Day of Giving Clothes, Comfort, and Cleanliness," was held on February 28, 2025, at Siange Lisap Elementary School. The event aimed to spread kindness to those in need by offering clothes, hygiene education, and a sense of community support. This initiative was organized to not only provide physical necessities but also to foster an environment of empathy and care, ensuring the well-being of those who are less fortunate.

The program began with an opening prayer led by Ms. Ganancial, who invoked blessings of goodwill, unity, and protection for everyone involved in the event. Her heartfelt prayer set the tone for the day's activities, asking for guidance in delivering kindness and compassion to those in attendance. The group collectively expressed gratitude for the opportunity to share their resources and support each other in the spirit of giving.

Following the prayer, Mr. Francis Harvey Linga, Head Teacher III, delivered an inspiring message to all participants. In his speech, Mr. Linga emphasized the importance of community involvement and how small acts of kindness can create a significant impact on the lives of others. He encouraged everyone to continue helping those in need and reminded them that acts of service, no matter how simple, contribute to building a stronger, more compassionate society.

The next part of the program was the orientation on proper hygiene, which was conducted by Ms. Janeth D. Linga, the Science Society Adviser and the Program Chairperson for the BSED Program.

Ms. Linga shared valuable information on maintaining personal hygiene, including proper handwashing techniques, the importance of regular bathing, and ways to prevent the spread of common illnesses. The attendees were highly engaged in this segment, as it not only helped improve their health awareness but also empowered them with the knowledge to take care of themselves and their families.

Following the orientation, participants were invited to participate in some fun-filled parlor games, which were organized to bring joy and laughter to everyone present. These games allowed the participants to bond with each other and take a break from their daily struggles. After the games, the attendees were treated to a hearty meal during the feeding program, providing them with nourishment and a sense of community.

One of the most anticipated parts of the event was the distribution of bath soaps and pre-loved clothes. The donations of these essential items were thoughtfully given to the participants, ensuring they left the event with practical goods that would contribute to their personal hygiene and daily needs. The generosity of the donors was truly heartwarming, as it reflected a collective desire to make a positive difference in the lives of those who are less privileged. The participants expressed deep gratitude, knowing that these donations would help improve their quality of life and provide a sense of dignity and care.

The event concluded with the giving of certificates as a token of appreciation for everyone who contributed to the success of the outreach activity. These certificates were presented to participants, acknowledging their efforts and involvement in making "Share & Care: A Day of Giving Clothes, Comfort, and Cleanliness" a memorable and meaningful experience. The activity not only provided material support but also created lasting bonds among those who took part, reminding everyone that caring for one another is the essence of building a better community.
