The MinSU Land Use Development and Infrastructure Plan Technical Working Group with the full support of **Dr. Levy B. Arago Jr., University President**, spearheaded a LUDIP Presentation at Barangay Level. The activity was attended by representatives of the Barangay sectors, Minority Tribe Elders, and Barangay Officials. It was a fruitful presentation and information between the community and the institution. The presentation covers the awareness about the discretion of the institution about its territorial development, sustainability and also its conflicted parcels. The activity was brought into a peaceful ending with matters being resolved and questions being answered.
